

1000 TALENTS GLOBAL RECRUITMENT PROGRAM

The **SOUTHERN UNIVERSITY OF SCIENCE AND TECHNOLOGY** (SUSTech) is offering exciting opportunities for scientists and engineers in a variety of disciplines

The Southern University of Science and Technology (SUSTech) in Shenzhen, China, is seeking outstanding candidates for the 1000 Talents Global Recruitment Program sponsored by

the Chinese government. Applications are invited for all major science and engineering disciplines. Successful applicants will be appointed to the faculty of SUSTech at a level commensurate

with their background and experience, from tenure-track assistant professor to tenured chair professor.

SUSTech offers a generous salary and start-up package for recipients of the 1000 Talents Global Recruitment Program. Benefits include a competitive starting salary, a living subsidy of 2.75 million RMB (1000 Young Talents) or 4.5 million RMB (1000 Talents and Foreign 1000 Talents) over 3-5 years, a start-up fund of up to 12 million RMB; principal investigator and tenure-track systems; accommodation in an on-campus apartment of 100-150 square metres, and social insurance.

Applicants should have a PhD in a relevant science or engineering field. Applicants

for the 1000 Talents Global Recruitment Program should be a professor or a senior researcher, while applicants for the 1000 Young Talents Global Recruitment Program should have three years or more of overseas postdoctoral research or work experience. Applicants must have a proven track record of high-quality peer-reviewed academic publications as well as have excellent communication skills and the capacity to teach in English.

If interested, please apply through the website at <http://talent.sustc.edu.cn/en/enindex.aspx>.
