
Supplementary information

**INCATE: a partnership to boost
the antibiotic pipeline**

In the format provided by the
authors and unedited

Supplementary Figure 1 | **INCATE's key offerings.** INCATE supports innovators to fight drug-resistant bacterial infections.

Supplementary Table 1: INCATE's founding academic institutions, pharma industry partners and supporting partners

Name		Country
Founding academic institutions		
 University of Basel	University of Basel	CH
 NCCR AntiResist	Swiss National Centre of Competence in Research (AntiResist)	CH
 DZIF <small>Deutsches Zentrum für Infektionsforschung</small>	German Center for Infection Research (DZIF)	DE
 INFECTION CONTROL LEIBNIZ HKI	InfectControl/ Leibniz Institute for Natural Product Research and Infection Biology	DE
Pharma industry partners		
 Roche	F. Hoffmann-La Roche Ltd	CH
 Boehringer Ingelheim	Boehringer Ingelheim Venture Fund GmbH	DE
 MSD	Merck Sharp & Dohme (MSD) GmbH - Germany	DE
 SHIONOGI	Shionogi & Company, Limited	JP
Supporting partners		
 GARDP <small>Global Antibiotic Research & Development Partnership</small>	Global Antibiotic Research & Development Partnership (GARDP)	CH
 BEAM <small>ALLIANCE</small>	BEAM Alliance	FR
 repair impact fund <small>novartis</small>	Novartis Holdings REPAIR Impact Fund	DK
 IFPMA	International Federation of Pharmaceutical Manufacturers & Associations (IFPMA)	CH
 Swiss TPH <small>Swiss Tropical and Public Health Institute</small>	Swiss Tropical and Public Health Institute (Swiss TPH)	CH
 SWISS BIOTECH	Swiss Biotech Association	CH
 Life Science Factory	Life Science Factory	DE
 GLOBAL AMR R&D HUB	Global AMR R&D HUB	DE
 vfa Die forschenden Pharma-Unternehmen	Verband Forschender Arzneimittelhersteller (VFA)	DE
 VOSSIUS	Vossius & Partner	DE/CH
 ihma	International Health Management Associates (IHMA)	US/CH
 AAMRNet <small>Australian Antimicrobial Resistance Network</small>	Australian Antimicrobial Resistance Network	AU
