### List of co-developers of the living guidelines for responsible use of generative AI in research:

Olivier Bouin, University-based Institutes for Advanced Study, UBIAS (Lead Coordinator); Réseau Français des Instituts d'Études Avancées, RFIEA (Director).

Mathieu Denis, International Science Council (Senior Director).

Zhenya Tsoy, International Science Council (Senior Communications Officer).

Vilas Dhar, Patrick J. McGovern Foundation (President).

Huib Dijkstra, Institute for Advanced Study, University of Amsterdam (Director); University of Amsterdam (Professor of Philosophy of Science, Technology and Politics).

Saadi Lahlou, Paris Institute for Advanced Study (Director); London School of Economics and Political Science, Department of Psychological and Behavioural Science (Chair in Social Psychology).

Yvonne Donders, United Nations Human Rights Committee (Member); University of Amsterdam, Department of International and European Public Law (Professor of International Human Rights).

Gabriela Ramos, Social and Human Sciences, UNESCO (Assistant Director-General.)

Klaus Mainzer, European Academy of Sciences and Arts, Salzburg (President); Technical University of Munich (TUM Senior Excellence Faculty); Carl Friedrich von Weizsäcker Center, University of Tübingen.

Peter-Paul Verbeek, University of Amsterdam (Rector Magnificus; Professor of Philosophy and Ethics of Science and Technology).
