

Comment

Supplementary information to:

Does AI already have human-level intelligence? The evidence is clear.

A Comment published in *Nature* 650, 36–40 (2026)

<https://doi.org/10.1038/d41586-026-00285-6>

Eddy Keming Chen, Mikhail Belkin, Leon Bergen & David Danks

This Supplementary information comprises author contributions and acknowledgement of funding.:

Author contributions

E.K.C. wrote initial drafts and coordinated revisions based on substantive input from all authors. M.B., L.B. and D.D. are listed in alphabetical order by surname.

Acknowledgement of funding

E.K.C. gratefully acknowledges support from the John Templeton Foundation (Grant 63209) and the UC San Diego Academic Senate (RG115911). M.B. gratefully acknowledges federal support from the National Science Foundation (CCF-2112665, MFAI 2502258), The office of Naval Research (ONR N000142412631), and the The Defense Advanced Research Projects Agency (DARPA HR001125CE020). The opinions expressed in this publication are those of the authors and do not necessarily reflect the views of the funding agencies.
